

Cooperative Special Recreation Initiative

C.S.R.I. is a cooperative venture seeking ways to increase recreational opportunities for individuals of all ages who have special needs and abilities. By working together toward a common goal we are able to provide more events to a larger amount of people than any one agency alone. The following agencies are proud to be a part of CSRI:

- ◆ Cedar Lake Parks & Recreation
- ◆ Community Hospital
- ◆ Crown Point Parks & Recreation

- ◆ Dyer Parks & Recreation
- ◆ Highland Parks & Recreation
- ◆ Lake County Parks
- ◆ Merrillville Parks & Recreation

- ◆ Munster Parks & Recreation
- ◆ Schererville Parks & Recreation
- ◆ St. John Parks & Recreation

2011 CALENDAR OF EVENTS

These dates are provided so you can 'save the date' on your 2011 calendar. Registration may not begin until a later date as decided by the host agency.

Typically full information will be e-mailed out as the date approaches with more details on the event.

Some programs may have a registration fee (\$). Advance registration (®) is typically required for each event. Call the host agency for full details.

We are working together to give you more options! Even if you don't live in the Town that is hosting the event, you can participate.

We are keeping a CSRI email list so notifications of events can be sent out as they approach. If you aren't already receiving CSRI emails, email us at csri2004@yahoo.com or call one of the above agencies. Future event notices will only be sent via email or through agency brochures.
