

## SANITATION IS SAFETY

We at Bellaboo's have long believed that Sanitation is Safety. Rest assured that we remain committed to a clean, and sanitized play experience for you and your family. We have doubled down on our cleaning efforts and any under-the-weather staff is being asked to stay home. You'll find hand-sanitizer throughout the facility and soap at every hand-washing station. Let's be kind to one another, have fun, and be safe together!

---

While we'd love to have you visit us, please remember to keep your kiddos home if they have had a fever in the last 24 hours. We'll be ready for play as soon as your crew is feeling ship-shape again!
