

1. Find at least 4 sticks around the same size

2. Shape them into a square

3. Cut at least 15 pieces of string that are around the same size

4. Tie the corners together (maybe your grown-up can assist with a dab of hot glue!)

## NATURAL WEAVING LOOM

1. Do Moving Story Time
2. Make Nature Loom
3. Create New Art each time you use your Loom.
4. Have Your Grown-Up share your creations with us for your friends to see!

5. Tie the remaining strings across the frame to make your loom. Need help? Ask!

6. Gather flowers, weeds, sticks & grasses for weaving

7. Weave under & over the strings

8. Well done!
